RWANDA

Activity Title	Activity Description	TCB Category	FY 05 Total
Agribusiness Development Activity in Rwanda (ADAR)	The Agribusiness Development Activity in Rwanda (ADAR) project works directly with private sector agribusiness operators and some organized associations and cooperatives on improving the processing and marketing of value-added export-oriented products. The ADAR project seeks to--(1) add value to key commodities targeted for export (2) build efficiency and expand employment within commodity chains (3) upgrade managerial and technical capability in agribusiness enterprises (4) improve product quality and expand access to markets and (5) develop financing options to support agribusiness growth. Funded and implemented by USAID/Rwanda.	Trade-Related Agriculture	700,000
Partnership Enhancing Agriculture in Rwanda through Linkages (PEARL)	Partnership Enhancing Agriculture in Rwanda through Linkages (PEARL) aims to increase the productive capacity, incomes, and employment of community-based groups through enterprise development in the agricultural sector. PEARL works with rural communities across Rwanda to generate income through product development and market linkages. The project is working with grower cooperatives on the production and marketing of specialty coffee and cassava products. With increasing attention to quality control and consistency in production, the customer base has expanded steadily and now includes importers from the United States, European Union and Africa. Funded and implemented by USAID/Rwanda.	Trade-Related Agriculture	700,000
Small and Medium Enterprise Promotion and Technical Assistance	The Small and Medium Enterprise (SME) promotion and technical assistance project provides support to the SME sector in Rwanda to facilitate increased, measurable impact on Rwandan SMEs in terms of product development, market development, and trade through focused delivery of technical assistance to strategic, high-potential sectors, including handicrafts, tourism, and value-added agribusiness. The project aims to increase efficiency of SMEs through business development services and use of information and communications technology. Funded and implemented by USAID/Rwanda.	Business Services & Training	62,500
		Other Trade Facilitation	12,500
		Trade-Related Agriculture	37,500
		Tourism Sector Development	12,500
